OFFER TO CONTRACT

1. For pursuant to the HJR 192 Public Policy, I attach my, an original sealed, Social Security Bond, and the Cussip Number as provided by Fidelity Bank for purposes of a Remedy of Accepting for Value the allege "Debts" **for proper discharging through the U.S. Treasury and thereby reducing the National Debt.**
2. For I seek to settle an "alleged" debt due and owing, including the \$1.4 Default Judgment belonging to Christopher R. Shafer, bankruptcy case. For I seek to settle this matter held against Mr. Shafer's family,

:Angel-David :Delgado, AUTHORIZED REPRESENTATIVE, TRUSTOR/BENEFICIARY OF Social Security BOND HELD at the U.S. Treasury. Letter of Offer to Bankruptcy Court Judge and Trustee.

including his then young sons, my nephews, in its entirety. For it was done by Default, and not proven because we did not have the wherewithal to fight what Mr. Shafer was doing against his own family for the sake of pursuing several affairs.

For it is a "joint & several" "alleged liability". For the conditional settlement is that all liens are removed from all named parties, including and not limited to: :Angel-David :Delgado, :Rafael :Delgado, :Dorca :Delgado-Shafer, :Matthew :Shafer, and :Christopher :Shafer, Jr. For I will accept this "debt" in its entire value, kindly discharge the debt as a HJR192 Remedy.

3. For the debts to the mortgage properties were paid in full at closing, as the Note Securities, a Financial Cash Asset, were immediately cashed by these brokers/mortgage companies, as providing the by executed Note Securities.

For also, I know that it is established that these Unilateral Mortgage Contracts and Notes Securities are written in Adverb-Verb syntax grammar, which actually reads "No contract". For hence, the Deed of Trusts and Notes Securities are Voidable for Fraud, as established in California and other states through the Attorney General offices and settlements made.

For it is a fact that the funds to purchase the properties came from our wet ink signatures, our social security numbers and the U.S. Treasury intentionally using my name written in ALL CAPITAL letters, as if I were a corporation/dead entity. For hence, through HJR192 and the IRS Process Forms, the debt is prepaid at ten times the fractional amount. For it is a fact that these mortgage companies provided NO loans or money of their own; for there exists no consideration in these transactions; and for they have suffered no injuries.

For I innerstand that the mortgage companies and their agents committed intentional Criminal Fraud using misleading, misrepresentations, omission, coercion in all of these transactions.

For at this juncture, I just seek to settle the matters with the mortgage companies.

For negotiate to settle an amount by way of HJR192 Public Policy and release all properties and clear titles to my name within a reasonable time of 30 days.

4. For settle the student loan and all other debts in the same process.
5. For settle the account under the All CAPITAL NAME, with the Treasury. For I seek my share of the minor estate as set forth in Judge Dale's article, to a common Law Trust.
6. For kindly respond within ten (10) days of this Letter Offer in writing.
7. For if the Offer is rejected, you are to return the original SS Bond and Fidelity Bank documents to my possession. For it is also agreed that you will not retain a copy of these documents.
8. For you have no other consent in any format, to use these documents without my written consent and or knowledge.
9. For attached, which is incorporated with this Contract Offer, is the Mortgage Fraud Criminal violation list for review.

Respectfully,
